## **1. COMPANY OVERVIEW:**

- We are a dynamic company that prides itself with knowledge, expertise and skills to offer quality services within the glass industry.
- Our company is informed by risks and challenges that a small company goes through from starting to full establishment.
- We are a small enterprise that has positioned itself to serve bigger markets with effectiveness, energy and efficiency.
- CDC has the aim of capacity building, job creation and economic growth.
- CDC can be described as an organisation with a huge appetite for work that must be done beyond expectations.

Our strategy is made up of input from the past and present clients, our agents, ourselves and other models. It offers a balance of highly qualified professionals representing a wealth of expertise.

## **2. COMPANY VISION:**

To be the leading company in the field of glass and aluminium services.

### **2.1. Mission:**

To achieve our vision we are committed to:

Safe, quality glass services that provides state-of-the-art glass services at competitive prices,

Maintaining open communication between CDC and it's customers in order to ensure the highest level of customer satisfaction and long lasting reputation within the community,

To continue to increase the number of services offered, while increasing the level of profits.

### **2.2 Values:**

Integrity and Honesty, Enthusiasm and Innovation, Transparency and Accuracy, Credibility, Consistency and Accessibility, Customer orientation and Quality service.

## **3. STRUCTURE AND PERSONNEL:**

### **3.1 Owner:**

The owner Mr. Cecil Alberts has over twenty years of experience and a wide range of knowledge in the aluminium and glass industry, construction / property development and investments opportunities.

### 3.2.1 Personnel:

The Company makes use of well, experienced associates and team members. These will give comfort to our clients that the services rendered by CDC are of high quality and standard.

All have extensive experience in the different business filed. Our team members are trained continuously to ensure that we keep up with the current market trends and to offer our clients an updated and complete service. Therefore all clients will benefit from our expertise.

All of CDC's activities are based on good relationships with our clients. We extent our capacity by entering into Joint Ventures and working with associates. Our relationships with other associates enable us to provide all our clients with a more efficient service. These relationships enable our clients to get the best service at an affordable cost whilst still getting the best the market offers at that specific time.

### 4. SKILLS TRANSFER:

CDC as part of our vision of creating sustainable solutions to development challenges, we recognize our responsibility to transfer skills by committing to transfer our professional skills by continuously developing young aspiring entrepreneurs. Therefore as part of the broader strategy, the informal traders are being coached and mentored by our qualified team members in all aspects of business management and project management.
